

The Oklahoma Alliance for Geographic Education (OKAGE)
presents two
Geography Teacher Training Institutes

Co-sponsored by
State Superintendent Sandy Garrett
Oklahoma Council for the Social Studies (OCSS)

The 2007 Geography Teacher Training Institutes (GTTIs) are primarily for 4th and 5th grade teachers. Teachers who are helping to prepare students for the Grade 5 Social Studies criterion-referenced test will find this institute indispensable. Oklahoma classroom teachers who have achieved "Teacher Consultant" status through training conducted by the National Geographic Society and OKAGE will present.

This Institute meets the definition of high quality professional development as required by the No Child Left Behind Act [Title IX, Part A, Section 9101 (34)]. The activities in this Institute are directly aligned to the Priority Academic Student Skills (PASS), student academic achievement standards and assessments. The primary goal of the Institute is to improve and increase teachers' knowledge of social studies, and help enable teachers to become highly qualified. Attendance certificates for professional development will be available.
